

CURRICULUM VITAE

PERSONAL INFORMATION

Name: Thompson, Avianna

EDUCATION

School: Case Western Reserve University

Doctor of Philosophy (Ph.D.), Epidemiology & Biostatistics

Dates: August 2025 – Expected Completion: 2029

POST-BACCALAUREATE TRAINING

Institution: Case Western Reserve University

Post-baccalaureate Research Education Program (PREP)

Dates: July 2024 – May 2025

School: The Pennsylvania State University

Bachelor of Science (B.S.), General Biology

Dates: August 2020 – May 2024

CONTACT INFORMATION

(267) 471-4099

E-mail: axt1019@case.edu

PROJECTS

Complex Factors Impacting Smoking Behavior in Cancer Survivors with Food Insecurity – *American Journal of Health Behavior* (Research Associate)

- Contributed to data collection and analysis of transcribed qualitative interviews
- Conducted qualitative coding using NVivo and reflexive thematic analysis
- Assisted in manuscript preparation and interpretation of findings

Tackling Socioeconomic Disparities in Smoking: A Causal Loop Diagram to Elucidate the Relationship between Smoking and Food Insecurity – *Nicotine & Tobacco Research* (Research Associate)

- Built a causal loop diagram (CLD) using Stella Architect to model interactions between smoking behavior and socioeconomic factors
- Applied systems science methods to explore the pathways linking food insecurity and tobacco use
- Integrated qualitative insights and literature evidence to inform intervention strategies targeting health disparities

CONNECT Pantries Study – NIH-Funded 5-Year Grant: Implementing Ask, Advise, Connect for Tobacco Cessation in Food Pantries – *Research Associate*

Curriculum Vitae: AVIANNA THOMPSON

- Led participant recruitment and performed qualitative coding
- Analyzed data using R to generate simulations of pantry interventions and predict reach/impact based on demographic data
- Collaborated with community partners and applied behavioral and community-based research methods to optimize intervention implementation

PROFESSIONAL/ACADEMIC APPOINTMENTS

Position/Rank: Research Technician I

Institution/Department: Case Western Reserve University School of Medicine

Dates: 07/2024 – 05/2025

Position/Rank: Undergraduate Research Assistant

Institution/Department: Department of Biobehavioral Health, The Pennsylvania State University

Dates: 2023 – 2024

Position/Rank: Clinic Intern

Institution/Department: University Health Services, The Pennsylvania State University

Dates: 2023-2024

Position/Rank: Nursing Aide

Institution/Department: Certified Nursing Assistant Program Delaware County Community

College

Dates: 2022

HONORS AND AWARDS

| | |
|-----------|--|
| 2024 | Outstanding Poster Award, Case Western SOM Research Day, top 8% |
| 2024-2025 | NIGMS-supported CasePREP Scholar, one of six competitively selected |
| 2024 | Education Abroad Award, The Pennsylvania State University |
| 2024 | R.& M. Lapinski OpenDoors Scholarship, The Pennsylvania State University |
| 2023 | Ready to Succeed Scholarship, The Pennsylvania State University |
| 2023 | Featured in Eberly College of Science “Black in STEM” |
| 2023 | Ronald E. McNair Scholar, The Pennsylvania State University |
| 2022 | Dean’s List, The Pennsylvania State University |
| 2021 | Dean’s List, The Pennsylvania State University |
| 2020 | Doris N. McKinstry Scholar, The Pennsylvania State University |

MEMBERSHIP IN PROFESSIONAL SOCIETIES

| | |
|----------------|---|
| 2024 – Present | Biomedical Graduate Student Organization, Case Western Reserve University |
| 2023 - Present | McNair Scholars Program |

Curriculum Vitae: AVIANNA THOMPSON

2021 - 2024 Minority Association of Pre-Medical/Health Students, Pennsylvania State University

PROFESSIONAL SERVICES

2021-2024 Fundraising Committee, Black Caucus, The Pennsylvania State University
